## Participation Verification

---

Campuses are required by federal regulations to verify the participation of students in their classes. In accordance with [Executive Policy 7.209](#), all students in the University of Hawai'i system are required to establish "participation" to ensure that they are not dropped from their class(es). Students who fail to participate by the late registration period for a class will be administratively dropped from that class. Students may also be dropped from dependent prerequisite and/or corequisite classes if both courses do not establish participation.

## Grading Policy

---

### Assessment Tasks and Grading

#### A. PARTICIPATION (20%, 200 points of total grade):

Each student will be expected to participate each week. Activities are designed to complement information in the text. Optimal learning will require preparation through reading and processing, and then sharing the work product or information in class or online class forums. It is important to **plan ahead** to make certain you complete the work required to be done outside of class so you are ready to share with the class at the time the topic is discussed. Because the activities are planned in-class group learning opportunities with weekly deadlines, there are no make-up opportunities for these activities.

Each student is viewed as a Learner/Peer Teacher. Your shared observations, knowledge, skills, questions, and responsive listening are valued and contribute to a positive learning environment. Consequently, it is important that every student to

contribute to the interactive learning that is an important part of every course. **To receive credit** for participation, each student will need to **participate, on time**.

**B. PORTFOLIO (20%, 200 points of total grade):**

This is the single most important activity over the course of the semester. To be successful in this segment of the course, students need to start early and work each week to complete this project. The Portfolio Reflections are due by start of class on Wednesday, May 3, 2023. Make sure your name is on each page. Because this is a semester long project, there is no excuse for a late paper. Late assignments are generally not accepted; and if accepted, will be significantly penalized. If you foresee you may be unable to turn assignments in on the due date, you may submit assignments on an earlier date, or have a classmate hand it in for you.

**C. EXAMS (60%, 600 points of total grade):**

Complete three of the four exams covering assigned readings, class activities, discussions, lectures, videos, handouts, assignments, etc. Each Exam will consist of approximately 50 Multiple Choice and True-False questions.

<b>EXAM</b>	<b>MATERIAL</b>	<b>% / POINTS possible</b>
Unit Exam 1	Chapters 1-5	20% / 200pts
Unit Exam 2	Chapters 6-10	20% / 200pts
Unit Exam 3	Chapters 11-15	20% / 200pts
Cumulative Exam (Optional)	Chapters 1-15	20% / 200pts

**Do not miss exams.** Fairness in testing depends on students having equal preparation opportunities. Consequently, make-up tests will be allowed at the end of the semester. In the event of an emergency, the instructor must be notified **IN ADVANCE** of the exam, unless absolutely impossible. If the instructor is not notified of the emergency prior to the DEADLINE of the exam, and/or appropriate documentation of proof of emergency is not provided, the student will receive a zero for that exam.

Routine appointments are not emergencies, and should be scheduled outside of time needed to complete course requirements. In case of emergencies, it is the responsibility of the student to contact the instructor before class begins, in order for the student to avoid penalty.

<b>Task</b>	<b>Possible Pts</b>	<b>Grade Criterion</b>
Participation =	200 pts	900 - 1000 points = A
Portfolio =	200 pts	800-899 points = B
Exams =	600 pts	700- 799 point = C
<b>Total =</b>	<b>1000 pts</b>	600 - 699 points = D
		<600 points = F or N
