## COURSE TASKS AND GRADING

**Participation:** Due to the nature of a speech course, active participation is necessary. Class discussions, student involvement, in-class activities, and attendance are regarded as participation.

**Impromptu:** Students will be randomly selected throughout the course of the semester to provide an impromptu speech. If you are absent on an impromptu day, there will be no make-up participation.

### Paper Assignments:

High quality papers will show depth of thinking and insight into the analyzing process of a literary piece. Papers should include references to material covered in the textbook using appropriate APA formatting. Each paper may vary on length depending on the assignment given to you by the instructor. Each paper should contain an introduction, an organized body with main ideas developed, and a thoughtful conclusion and must follow the paper requirements for this class. *An Abstract is not required unless a research paper is assigned.*

### Writing Hallmarks:

- ✦ The course uses writing to promote the learning of course materials

- ✦ The course requires students to do a substantial amount of writing – a minimum of 4,000 words, or about 16 pages.

Depending on the types of writing appropriate to the discipline, students may write critical essays or reviews, journal entries, lab reports, research reports or reaction papers.

## Student Contributions

**Participation Verification:** Campuses are required by federal regulations to verify the participation of students in their classes. In accordance with [Executive Policy 7.209](#), all students in the University of Hawai'i system are required to establish "participation" to ensure that they are not dropped from their class(es). Students who fail to participate by the late registration period for a class will be administratively dropped from that class. Students may also be dropped from dependent prerequisite and/or corequisite classes if both courses do not establish participation.

**Academic Integrity:** Work submitted by a student must be the student's own work. The work of others should be explicitly marked, such as through use of quotes or summarizing with reference to the original author. In this class, students who commit academic dishonesty, cheating or plagiarism will have the following consequence(s): Students will receive a failing grade for plagiarized assignments. All cases of academic dishonesty are referred to the Vice Chancellor for Student Affairs.

[Windward CC Student Conduct Information](#)

[UH System Student Conduct Policy EO 7.208](#)

**AI:** Writing, analytical, creativity, and critical thinking skills are essential to the learning environment of this course and all assignments should be prepared by the student. Therefore, AI-generated assignments are viewed as unethical and will receive a failing grade. This course assumes that all work submitted by students will be generated by the students themselves. If students need assistance with structuring an assignment, the professor is available and willing to support the student. Resources such as the Writing and Speech Lab are also available for the student to submit a credible assignment.

**Attendance Policy:** Regular and prompt attendance is necessary for students to achieve the goals of this course. Most activities build upon one another so attendance and adequate preparation for each class period are essential. Students are responsible for material covered in classes in which they were absent (whether the absence was excused or unexcused) or late to class.

### **Unexcused Absences**

**Absolutely no make-ups** will be given for unexcused absences resulting in a missed speech performance, examination, or in-class activity. If there is a prior engagement, notify your instructor and discuss your situation.

**Deductions for unexcused absences.** Attendance will be regularly recorded. For every unexcused absence, your overall grade will be lowered by **5 points** per absence.

**Deductions for tardiness.** If students are 15 minutes late to class, they will be marked as late. For every two classes that a student is marked late, it will equal to one unexcused absence. It is encouraged for students to come to class on time.

**Assignments:** All assignments must be typed and double-spaced with one-inch margins on the left, right, top, and bottom of each page to receive credit. Please use Times New Roman, size 12 as a standard font type. *A hard copy of assignments is required. Emailed and handwritten work submitted as final assignments will NOT be accepted unless stated by the instructor.*

**E-mails:** The University of Hawaii e-mail has been declared an official means for communication with students. Executive Policy E2.213 reads: “Students are responsible for checking their email account frequently and consistently to remain current with University communications. They are expected to monitor and manage their email storage quota to ensure that their mailboxes are not saturated and are able to receive new messages.”

**Cellular/Digital Phones and Other Electronic Devices:** Before attending class, turn off all cellular/digital phones and other portable electronic devices that can ring and disrupt the class. *You will be regarded as absent for the day if you are using an electronic device for other means than taking notes.*
