### Learning Resources

#### Simnet

Simnet is an online interactive learning and course management system that will be used extensively in this course. The combined scores for Simnet lessons and exams will account for 47% of your final grade. A charge of approximately \$56 for the digital course material through IDAP will be added to your MyUH account through the bookstore's Interactive Digital Access Program (IDAP). Through this program, you will access your course material digitally, and it will be available to you by the first day of class.

You have the option to opt-out of receiving your course material through IDAP. By opting-out, you will lose access to the course material and the charge will be refunded on your MyUH account. If you do not opt-out, the charge will stay on your MyUH account. Any unpaid charges on your MyUH account will turn into a hold. Holds on your account will prevent you from accessing various services within the University. You may opt-out by visiting this page [https://www.bookstore.hawaii.edu/wcc/site\\_IDAP.asp](https://www.bookstore.hawaii.edu/wcc/site_IDAP.asp) For more information regarding IDAP, please contact your campus bookstore.
