### Catalog Description

Veterinary Office and Computer Skills covers the support skills needed in a veterinary office. Because veterinary office skills are critical in the success or failure of a practice, this course will emphasize the following: client communication, public relations, ethical and legal procedures, bookkeeping functions, scheduling, records management, and telephone skills. Students will be introduced to one or more industry-standard veterinary software programs as well as word processing and spreadsheet software. (3 hours lecture).

**Pre-Requisites:** Registration in or a grade "C" or better in ANSC 142 and ANSC 142L. Credit for or placement in ENG 100 and MATH 101.

**Co-Requisite(s):** None

**Activities Required at Scheduled Times Other than Class Times:** None

### Student Learning Outcomes

Upon successful completion of ANSC 191, the student should be able to:

- Contribute to a welcoming office environment that promotes accurate interactions with patients and clients.

- Work as a team member to deliver service in an ethical, compassionate manner, following the Veterinary Technician Code of Ethics developed by the National Association of Veterinary Technicians Association Ethics Committee.
- Perform introductory office administrative duties to ensure up-to-date filing and retrieval of documents, data entry, billing and receipts, and inventory.
- Demonstrate knowledge of an industry-standard veterinary software program.
- Demonstrate introductory skills for a word processing and spreadsheet program.

## Required Materials

### Required Textbook (either hard copy or digital version):

**Textbook:** *Front Office Management for the Veterinary Team*, Heather Prendergast BS AS RVT CVPM 3<sup>rd</sup> Edition

### Learning Resources:

[Quizlet](#)

[Kahoot](#)

### Other resources:

Due to the online nature of this course, it is necessary to have access to high-speed internet and computer software e.g. microsoft, adobe, Lamaku to support your participation in the class. Here are the links to several commonly used sites or applications' accessibility information:

## Course Format

---

This course will be conducted in a Synchronous format. We will meet once a week via Google Classroom to discuss the topics listed in the course schedule near the end of this syllabus.

This course is offered in a 16-week time frame. Please note that this is not a self-paced course, the class schedule is strictly followed.

## Course Technology

---

### Lamakū Learning Management System (<https://lamaku.hawaii.edu/d2l/home>)

- [Keeping Accessibility and UDL in Mind - Google Docs](#)
- Lamakū automatically logs you out *if it does not detect activity for three hours*. A warning message will appear, notifying you of the lack of activity. Activity is defined as clicking a button in Lamakū, such as "Save Draft" or "Next" (in a test), clicking on a course tab, or taking an action that sends information to the server.

### Regular Substantive Interaction

Online courses at Windward Community College follow these guidelines for ensuring quality instruction: [RSI Definition-WCC](#).

### Other Technology

Review the privacy/security policies before using the technologies we will be using in this class. Contact me if you would like to discuss the use of alternate options or technologies.

### Participation Verification

---

Campuses are required by federal regulations to verify the participation of students in their classes. In accordance with [Executive Policy 7.209](#), all students in the University of Hawai'i system are required to establish "participation" to ensure that they are not dropped from their class(es). Effective fall 2021, students who fail to participate by the late registration period for a class will be administratively dropped from that class. Students may also be dropped from dependent prerequisite and/or corequisite classes if both courses do not establish participation.

## Grading Policy

---

### Attendance:

#### **ATTENDANCE:**

Attendance is **mandatory** and defined as being present in class for the entire class period. Each student is allowed **ONE** excused absence. Any additional absences will result in a deduction of 10 points per absence and a lowered grade. If a student has an excused absence, a doctor's note or documentation must be provided to the instructor within 48 hours of returning to school.

**Additionally, attendance for class guest lectures is imperative. Missing a guest lecture will result in an automatic deduction of 25 points.**

For more information on the Veterinary Technology Program attendance policy, please refer to the Student Handbook.

### Grading:

#### **Quizzes/Exams: (100 points)**

Students will complete ten 10-point quizzes. The format for each of these will be explained in class.

Please note that **ANSC** and **Support** courses require a "C" or better to continue in the program. You must **receive a 70% or higher on the final exam** in all ANSC courses in order to pass the course. If you receive less than 70% on the final exam, your course grade will default to your final exam grade.

#### **Chapter Review Questions: (165 points)**

Each week there will be some type of assignment, webinar, or some other task worth varying numbers of points. Each will be explained in the Assignment tab and in the Weekly Module.

#### **Lap of Love (Veterinary Hospice) Project: (50 points)**

This is a lengthy project in Lap of Love (Veterinary Hospice). You will have from Week 8 to Week 16 to complete it. The format for this will be explained in class.

#### **Final Exam Review: (20 points)**

Students are expected to complete reviews prior to each exam. Each student will write **20 questions** with the **CORRECT answers** from the chapters for the Final Exam

#### **Exams: (50 points):**

The student will take a final exam worth 50 points (cumulative) to demonstrate knowledge and understanding of information presented in the lectures, text readings, and assignments.

#### **Extra credit:**

Extra credit opportunity involves participation in the Course Evaluation (5 points).

## Academic Integrity

---

Work submitted by a student must be the student's own work. The work of others should be explicitly marked, such as through the use of quotes or summarizing with reference to the original author.

In this class, students who commit academic dishonesty, cheating, or plagiarism will have the following consequence(s):

Students will receive a failing grade for plagiarized assignments.

All cases of academic dishonesty are referred to the Vice Chancellor for Student Affairs.

[Windward CC Student Conduct Information](#)

[UH System Student Conduct Policy EO 7.208](#)

Include an AI Statement (is it ok in your class? if so, when/how?) Here are some [UH AI Recommendations](#) and [AI Icons & Sample Statements](#). Instructors should refrain from sharing or inputting student work into online AI tools, including AI detection tools, without obtaining student consent. Uploading student work has potential FERPA implications as well as potential copyright concerns. Additionally, the uploaded content could be used as data for AI training without the student's consent.

## Student Responsibilities

---

### Policy on Late Assignments:

Late submissions are not accepted. If an assignment was missed due to an unforeseen emergency, communication must be established with your instructor within 48 hours and documentation must be provided. Unless previously consulted with by your instructor, uploaded files with edits made after the due date will not be accepted.

**Wrong file submission policy:** It is the student's responsibility to ensure that the correct file was uploaded. Submissions of wrong files will be categorized as a late assignment.

**Corrupted file submission policy:** It is the student's responsibility to ensure that a working file was uploaded. Submissions of corrupted files will be categorized as a late assignment.

### Policy on Make-Up Exams:

If you miss an examination because of an illness or legitimate emergency, you must contact the instructor **within 48 hours** to arrange a time to make-up for the missed test. The student must present evidence of the illness or emergency that caused the student to miss the test. If the student misses an exam for any other reason, the student may be prohibited from taking a make-up. Make-up exams may differ from the original test with regards to questions but content will remain the same.

**No retests will be given for any reason.**

### Violations of SOPs and Policies – Demerit System:

Violations of animal care SOPs and VETA/VETT policies will be classified as minor or major. Minor violations are those that do not impact the well-being of the animals and do not jeopardize USDA licensure, IACUC approval status, or CVTEA accreditation. Major violations are those that have a direct impact on the well-being of the animals, USDA licensure, IACUC approval status, and/or CVTEA accreditation.

Minor violations will result in a conference with the Program Director, written notification of the violation, and accumulation of one demerit. Accumulation of four (4) demerits will constitute a major violation. In addition, some major violations listed below carry a higher demerit value than others. As such, those violations will automatically progress to the appropriate level listed below.

**Major Violations progressive discipline is as follows:**

- First Major Violation (4 total demerits) – Conference with the Program Director and appropriate faculty; an extra cleaning duty; and written notification of the violation and resultant actions.
- Second Major Violation (8 total demerits) – Conference with the Program Director and appropriate faculty; extra cleaning duties; written notification of the violation and resultant actions; and referral to the Dean of Division II.
- Third Major Violation (12 total demerits) – Conference with the Program Director and appropriate faculty; written notification of the violation and resultant actions; referral to the Vice Chancellor of Academic Affairs (accompanied by the Program Director) for further disciplinary action. The disciplinary action recommended by the VETA/VETT program at this point will be suspension or expulsion.

Demerits accrued will not be carried from VETA to VETT. In other words, when you advance from VETA to VETT, any accrued demerits at that point will be voided and you will start with a clean slate.

**Minor Violation Examples** (1 demerit each) include but are not limited to:

- Failing to be in proper dress code
- Inappropriate use of personal electronics during class or lab
- Leaving blanks in a log book (you made an entry but did not fill in all sections of the page)
- Arriving up to 15 minutes late to perform kennel or cleaning duties
- Failing to turn the water off to a hose, sink, tub, etc.
- Leaving cleaning supplies out
- Not cleaning lab station after labs
- Failing to sweep and/or mop as directed by the SOP
- Failing to clean the lint trap in the dryer
- Failing to restock supplies for the next day
- Other violations determined by the Veterinary Technology Faculty and Staff

### Proctored Exams

Exams will be proctored by instructor or by appointment with the WCC Testing Center

### Responses to Instructors and/or staff/faculty from WCC

**Checking, reading & responding** to emails & **replying** to everyone copied in the email
